

Friday meeting over Sabah varsity

Sabah Times 31/3/94

THE task force for Sabah University project, chaired by Education Ministry secretary-general Datuk Mohamed Noordin, will hold its first meeting tomorrow.

Education Minister Datuk Amar Dr Sulaiman Daud said the ministry hoped to launch the project as soon as the site of the campus, the vice-chancellor and the chairman of the university's council were identified.

The university could be based on the model of the recently completed University Malaysia Sarawak with certain modifications to suit the requirements of the new university, he told reporters after attending Hari Raya gathering at the ministry yesterday.

He said an early appointment of a Vice-Chancellor for the university would enable academic programmes to be prepared much earlier, and the Vice-Chancellor himself could be involved in the various stages of the planning of the university.
