KOTA KINABALU: Universiti Malaysia Sabah (UMS) yesterday signed a MoU with Tokyo Econet Limited Company for the development of Nano-fibre technology.

UMS was represented by its vice chancellor, Prof Datuk Dr. Kamaruzaman Ampon while Tokyo Econet Limited Company by its managing director, Kondo Horoaki.

Also present were UMS registrar, Datuk Abdullah Mohd Said, and a representative of NGO Future, Yoshi-

da Noriaki.

Dr. Kamaruzaman said through the collaboration UMS professors, research engineers and graduate students would work closely with Tokyo Econet for the development of seawater desalination technology and cleaning of oil spills in the sea.
