## 49 UMS students receive dean's list award

BP 06-04-2012 A10

**LABUAN:** Forty-nine students of Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) received the dean's list award at the campus main hall recently.

Acting Dean of Labuan International Finance and Business School, Associate Professor Dr Norazah Mohd Suki, presented the awards to the recipients.

In her speech, Dr Norazah congratulated the award recipients and hoped that the students' academic performance at the campus would improve.

She believes that some 30 percent of the final year students in the School of Finance and Business would score a cumulative grade point average (CGPA) of 3.00 for this coming convocation.

"The students must keep a balance between their academic and activities at the campus to enable them to be more competitive in the job market," she said.

Also present at the award presentation ceremony was the deputy dean for the School of Research and Innovation, Lee Hock Ann and the lecturers of other schools.
