KOTA KINABALU: Universiti Malaysia Sabah (UMS) is fully prepared to receive new student intakes for the 2025/2026 academic session, with registration scheduled for 27 and 28 September 2025.

UMS Vice-Chancellor Professor Datuk Dr Kasim Hj Mansor said the university had made various preparations to ensure a smooth registration process as well as the Minggu Suai Mesra (Orientation Week), which will run until 1 October.

"I would like to congratulate and extend a warm welcome to

all new UMS students.

"We will do our best to ensure the registration process runs smoothly and that all students can adapt well to campus life," he said in a statement here on Thursday.

Dr Kasim also reminded students, family members and guardians attending registration day to comply with regulations and follow the directions of traffic personnel upon arrival at the campus to ensure smooth movement and avoid congestion.

"UMS has also deployed a secretariat team, volunteers and Pembimbing Suai Mesra (Orientation Facilitators) who are ready to assist throughout the registration process and during the orientation week.

"UMS always prioritises

and safeguards the welfare of its students through various facilities and support services to ensure a smooth learning and campus life experience," he added.

For the record, a total of 5,123 students have been offered admission to UMS for this academic session.
