TBP 18.05.2006 P. 6

PAPAR: Thirty undergraduates from Universiti Malaysia Sabah (UMS) will spend the entire week learning about the life and culture of residents in Kampung Berundong.

Their educational "holiday" is part of the Bakti Siswa Daya Wawasan (BSDW) programme.

The students will stay with several families in the village, some 45 kilometres from Kota Kinabalu, to gain some insight into local village life in Papar.

Previously, some 38 series of this programme were carried out nationwide under the Ninth Malaysia Plan (9MP), said Papar Member of Parliament Rosnah Abdul Rashid Shirlin during the launch of the programme at the Kampung Berundong community hall yesterday.

Also present were Gerakan Daya Wawasan Kemas Putrajaya officer Dahali Murali and UMS student affairs officer Awang Nasib.
