LABUAN: Thirty staff from Labuan Matriculation College (LMC) comprising its lecturers and administrative staff made a study visit to Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) on April 19.

The visit was led by LMC senior management officer Iskandar Zufadzli Abdullah who said the purpose was to learn the implementation of the 5S, a Japanese working ethics, in the

campus.

During the visit, campus administrative senior assistant registrar Musnin Mattersah briefed the visiting group on campus administration.

Meanwhile, campus deputy chairman for 5S, Baharin Entoh, gave a talk on the quality environment of 5S.

The LMC group visited five campus units, including the campus director's office, the

language centre, academic service department, sports unit and the student affairs department.

UMS-KAL received the certificate for quality environment practice from Malaysia Productivity Corporation on October 26, 2011.

Also present were language unit coordinator Soon Chiow Thai and the audit chief for campus 5S practice, Didiroy Dickson Joney.
