30 UMS students attend personal development course

BP 24-04-2012 BI

THE student affairs department of Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) organised a personal development course for its students recently at the campus' executive meeting room.

Its senior registrar assistant, Norhanizah Adnan, said the course aimed to give the students some insights and self-motivation for their career and life development after their graduation.

Some 30 students took part in the course, which was conducted by the administration officer (technical unit) of the Sabah

The students in their public speaking activity during the course.
