Perisai FC wins mini league organised by future teachers

SANDAKAN: Perisai FC's consistency was key to its emergence as champions of the DPLI UMS Sandakan Mini Football League held recently at the Universiti Malaysia Sabah (UMS) Sandakan Campus football field. Lundus FC finished as runners-up while Elevenz FC was third.

Perisai FC's Mohamad Ahareeza won the top scorer award while Lundus FC goalkeeper Mohamad Haikal Haziq was hailed as best goalkeeper.

The tournament, organised by students of the Postgraduate Diploma in Education (DPLI) 2025/2026 session, was conducted as part of the DT50502 Co-Curricular Management and

Organisation course under the Faculty of Education and Sports Studies, UMS.

The programme was aimed at providing students with practical exposure in planning, managing and executing sports tournaments systematically. Programme director Muhammad Nur Hafiz Mohd Ridwan commended the organising committee for their conduct in line with the intended learning objectives.

The programme served as an experiential learning platform for DPLI students to apply leadership, communication, technical management, protocol, logistics and teamwork skills in

a real-world setting.

Meanwhile, programme advisor Dr Frederick Josue @ Mohd Fadhil Abdullah said the experience of managing actual programmes helps develop future teachers who are more confident, disciplined and prepared to effectively handle co-curricular activities in the future. The tournament will continue to be held as a platform for developing sports management skills, leadership and a healthy lifestyle culture among DPLI UMS Sandakan students.

Perisai FC players celebrate after the prize presentation.
