BP 25.05.2012 A4

TAWAU: Students from institutions of higher learning are urged not to be deceived by rumours of the abolition of the National Higher Education Fund Corporation (PTPTN).

State Assistant Finance Minister Datuk Tawfiq Abu Bakar Titingan said students should not be easily influenced by propaganda raised by irresponsible parties.

Tawfiq said there were some irresponsible parties talking about such issue, thus creating confusion in the community.

He was speaking during the Makum poetry illustration at Kg Titingan here on Wednesday night.

The program was organized by Universiti Malaysia Sabah (UMS) in collaboration with Majlis Kebudayaan Universiti-Universiti Malaysia (MAKUM).
