UMSFLEC, SCCC explore education, skills devt collaboration

KOTA KINABALU: The Universiti Malaysia Sabah Flexible Education Centre (UMSFLEC) paid a courtesy visit to the Sabah China Chamber of Commerce (SCCC) on Tuesday to explore potential areas of collaboration in education, professional training, lifelong learning and industry engagement.

The UMS delegation was led by Deputy Director (Academic) Prof Madya Dr Chew Tze Cheng @ Nur Alesha Chew, together with Deputy Director (Finance) Zallifah Shadan, Manager of Marketing and Product Development Dr Siti Zubaidah Patuwan, Assistant Manager of Marketing Mohd Zaki Abdullah, Assistant Manager of Product Development Aldon Myson Jay Binjon, and Digital Learning Coordinator Aminuddin

Ibrahim Lastar.

They were received by SCCC President Datuk Frankie Liew, Deputy President 2 Ir Ts Tan KJ, JP, Vice-Presidents Datuk Peter Chia, Tan SL and Chun H.T.

During the engagement, UMSFLEC presented its range of flexible education and lifelong learning programmes, including executive and corporate training, open and distance learning, microcredentials, TVET programmes, global classroom initiatives and industry-oriented professional development.

The centre also highlighted its focus on upskilling and reskilling, innovation and technology, flexible education pathways and collaboration with industry. Its programmes cover areas including management

and leadership, finance, artificial intelligence and digital technology, sustainability, entrepreneurship, occupational safety and health, among others.

The courtesy visit provided an opportunity for UMSFLEC and SCCC to exchange views on strengthening university-industry linkages and developing education and training opportunities that respond to the evolving needs of Sabah's business community.

Both sides expressed interest in exploring potential collaboration that could contribute to talent development, lifelong learning and the enhancement of human capital in Sabah.
