LABUAN: Thirteen senior officers of Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) attended the asset management course yesterday.

UMS assistant treasurer Ammysiah Severinus conducted

the course which was participated by UMS-KAL's asset inspectors.

Ammysiah said that the course was held to improve the controlling and monitoring system for assets in UMS-KAL so that they would be used efficiently and systematically.

"The inspection on the campus assets must be done to ensure the objectives in purchasing and using them are achieved.

"The inspection work is in line with the aspiration in the MS ISO 9001:2008 UMS Properties Management System," she added.
