

# UMS to represent Malaysia at SIFE World Cup

BP 18/07/2012 AI

**KUALA LUMPUR:** Universiti Malaysia Sabah (UMS), the winner of SIFE Malaysia National Exposition, will represent Malaysia at the SIFE World Cup this year in Washington to compete against SIFE national champions from 39 SIFE-affiliated countries.

The university wooed the judges

with its community outreach projects it helped a community on Mantanani Island in Sabah to make eco-purses from plastic wrappers to generate income and reduce waste.

The participants presented the project to develop a bioenergy process using cow dung to generate electricity and help the people in need.
