KOTA KINABALU: Universiti Malaysia Sabah (UMS) Vice Chancellor Prof. Dr Mohd Harun Abdullah officially opened a mini zoo completed a year ago and located at Pusat Penataran Ilmu dan Bahasa (PPIB), here.

Harun said various animal species can be found at the zoo and that their existence will be able to harmonise or beautify the campus environment.

“We need a harmonious environment to influence us towards excellence.”

Meanwhile, Dr Ismail said the area also has a mini golf course as well as a volleyball and sepak takraw courts which can be used by staff after working hours.

Apart from that, before taking part in a dialogue regarding career development and excellence as well as a breaking of fast ceremony, Harun managed to visit the PPIB building, part of which needs maintenance and renovation.
