THE academic and non-academic Muslim staff of Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) attended the Ramadhan Preparation Programme at the campus Podium A lecture hall on July 18.

The programme was organised by UMS-KAL Islamic Affairs Unit and the talk was presented by the executive officer of Labuan Federal Territory Zakat Collection Centre (PPZ), Ahmad Sharizal Mohd Saffian.

Sharizal said that apart from fasting during the month, eligible Muslims must not forget to pay their zakat fitrah during Ramadhan.

"Fasting is not only teaching us to abstain ourselves from eating and drinking during the day, but also has its impact towards Muslim economy, while strengthening the family ties," he said.
