UMS futsal tournament

BP 28.08.2012 B1

UNIVERSITI Malaysia Sabah (UMS) School of Engineering and Information Technology recorded a second victory for team Kacau Bilau FC (combination of staff from Chemical and Electrical Engineering programs) in a futsal tournament.

They maintained their winning streak by the skin of their teeth through a penalty shootout in the final against team Backstage FC (combination of staff from Mechanical and Civil Engineering programs).

The second runners-up were Tanak Kampung FC (combination of Office and IT staff).

Kacau Bilau FC manager Abdullah Tarikim disclosed that they will train harder to retain the cup for a third time next year.

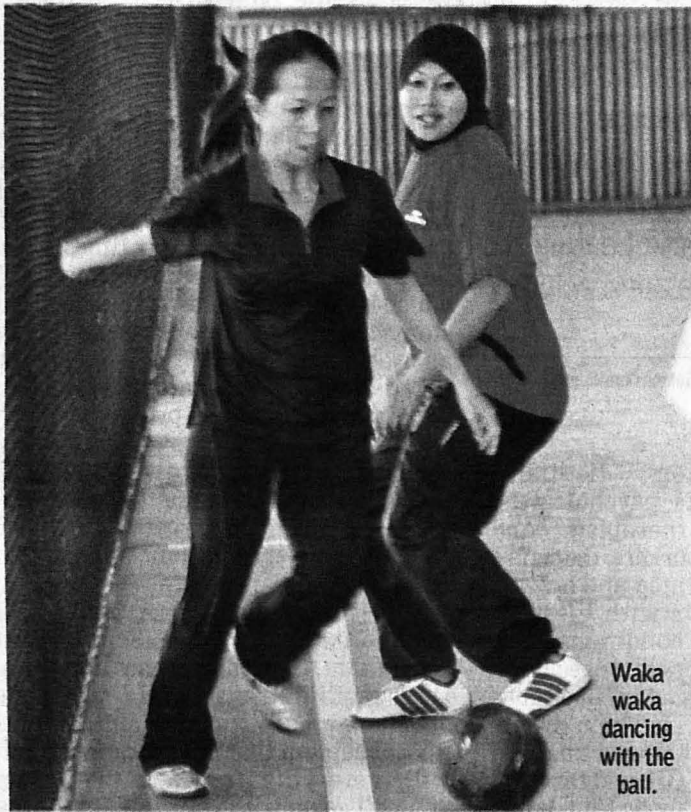

In the women's category, Tinggoron FC (Engineering Programs women staff) managed by Maximus Livon, defeated team OFIT FC (Office and IT staff) 4-0 to retain the Dean's Cup for the second consecutive year.

All of the matches were run by official SAFA referee in BSA Kolombong.

The dean of School of Engineering and Information Technology, Associate Professor Dr Rosalam Sarbatly, mentioned that this healthy activity is good for staff morale and hoped that it will continue to be conducted

We are the champions!

Waka waka dancing with the ball.

for many years to come.

Tournament coordinator Hasmi Hashim thanked the dean, all academic and non-academic staff for displaying such a spirited and

sporting attitude towards the smoothness of the event.

Everyone had lots of fun playing the beautiful game and itching for the tournament again in 2013.

Girl power.
