UMS, Olumis Borneo Batik to publish coffee table book

KOTA KINABALU: Universiti Malaysia Sabah (UMS) and Olumis Borneo Batik House plan to publish a coffee table book to introduce Sabah's ethnic motifs in batik products.

UMS vice-chancellor Datuk Dr Kamaruzaman Ampon said the book would

enrich the 1Malaysia concept and enhance awareness on the products among the people in the state.

"We are confident of the growth potentials of the batik industry in Sabah, hence the collaboration between UMS and Olumis Borneo Batik House," he said

at the signing of a memorandum of understanding between UMS and the company yesterday.

UMS also signed an agreement with the National Oceanography Directorate to collaborate in the preservation of the state's marine heritage. - Bernama
