

UMS education expo

BP 19-10-2012 B1

THE Education Expo held in conjunction with the 14th UMS convocation this year at the main campus of Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) ended recently with encouraging support from the public.

Sixteen agencies, including from the government sector, took part in the expo.

The chairman for the education expo organising committee, Dr Loi Chek Kim, said the expo could give some exposure to the primary and secondary

students about life in university.

He also disclosed that the education expo would be held again next year.

The closing ceremony of the two-day expo was officiated by the dean of Labuan International Finance and Business School, Associate Professor Dr Syed Nasirin Zainul Abidin who represented the campus' director.
