UMS-KAL gets additional facilities

BP 01 11 2012 B1

THE vice chancellor of Universiti Malaysia Sabah (UMS), Professor Datuk Dr Mohd Harun Abdullah, attended the briefing on the development of UMS, Labuan International Campus (UMS-KAL) on October 13.

During the briefing at UMS-KAL meeting room, senior engineer Jorin Matawas and his assistant, Mohd Azrie Ag Tanjong, said the construction projects within the campus were ongoing.

Dr Mohd Harun also disclosed that all the facilities under construction, which include lecture hall, student residence, sports facility, mosque and laboratory, were for the students, lecturers and the staff.

Also present were UMS
