FORTY-ONE graduate students received their awards at the University Malaysia Sabah, Labuan International Campus (UMS-KAL) Graduate Student Appreciation function held at Palace Hotel, Kota Kinabalu on October 20.

The vice chancellor of Universiti Malaysia Sabah (UMS), Professor Datuk Dr Mohd Harun Abdullah, urged the students to work hard, aim high and seek opportunities after they graduated from their campus life.

In his speech read by his deputy, Professor Dr Shariff Abdul Kadir Omang, Harun also reminded the students to equip themselves with academic knowledge so that they can pursue their ambition.

"Only those students working hard can achieve success in their academic by grabbing the scrolls and also in their later life," he said.

Dr Harun hoped the students will apply the knowledge they acquired in their career.
