LABUAN: Eleven students of Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) recently took part in a student exploration programme to Thailand.

The six-day study visit programme was led by the senior lecturer from Labuan International Finance and Business School (LIFBS), Dr Geoffrey Harvey Tanakinjal and they visited some of the tertiary institutions in the country.

Among the institutions they visited were Mahidol University International College, Nakhonpathom Thailand Asian Institute of Technology, Pathumthani Thailand Chulalongkorn University and

Pathum Wan Thailand Pattaya.

Dr Geoffrey said during their visit, they gained some new knowledge and had learnt more about student activities in the country.

“We also did some discussions and exchanged some views with the students and academicians at the universities we visited, especially on management of student activities.

“The students themselves learnt about the programmes and activities organised by those universities and some of the programmes and activities can be applied here at UMS-KAL in the future,” he said.

Among the students taking part in the study visit were Elviralynn

Ukon, Jennifer Voon Mei Ying, Augustina Chang Mei Xin, Nur Syuhada Muhammad Wazir, Ely Nadhirah Rosnan, Dayang Hadiyah, Chin Ze Yee, Paulina Ong Sheau Qi, Diny Azhari Suhaili, Dhyrna Lucas and Yong Yoong Shin.

Also accompanying the students in the visit were deputy dean of Labuan Informatics Science School, Ryan Andrias MacDonell and assistant registrar in student affairs unit, Suffian Osman.

Meanwhile, campus director Associate Professor Dr Ismail Ali who met the study visit group yesterday, said he would consider the views from the lecturers and students involved in the visit to be applied in the campus.
