

Primary Six students visit UMS-KAL

BP 24-11-2012 B1

SIXTY primary six students of SK Bukit Kalam made a study visit to Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) on November 6.

The visit was led by teacher Aini Salleh, who said that the intention of the visit was to expose the students to university life and to motivate them to study hard in order to pursue their tertiary education in the future.

Meanwhile, the senior registrar assistant for the campus alumni and student affairs department, Norhanizah Adnan, briefed the students about UMS-KAL.

The students also watched a video made by the final year students of Labuan Informatics Science School.

The students posing with their school teachers and the UMS-KAL staff in front of the main UMS-KAL building.
