## UMS Silat group in beach clean-up

KOTA KINABALU: A total of 100 Universiti Malaysia Sabah (UMS) Silat Cekak Pusaka Hanafi (SPCH) exponents participated in the '1Malaysia Green 1Malaysia Clean Programme' at the Likas Bay Public Park recently.

According to the President of SCPH UMS, Mohd Syafezh Edham Ahmed, the programme organised by the Ministry of Tourism and Culture in Sabah with SCPH is aimed at attracting the participation of young people in martial arts and to teach self-discipline.

"The participation of UMS volunteer students is a sign of the club's support in the organisation of the event that can benefit the youth," he said.

He added that the SCPH participation in the programme was also to promote 'My

Silat My Fest 2015' which will bring together as many as 50,000 fighters across the country on August 29, 2015 in Kuala Lumpur.

He said, 'My Silat My Fest 2015' will make history in the World Guinness Book of Records for the largest silat gathering and at the same time raise the name of Silat in the eyes of the world on par with taekwondo and karate.

"SCPH had created history in the Malaysia Book of Records for the largest category of performing silat and all-female silat performance in 2010," said Syafezh.

The '1Malaysia Green 1Malaysia Clean' will feature an interesting itinerary including a Likas Bay area gotong royong clean-up and silat performance from SCPH fighters, Silat Seni Gayung Fatani and Silat Raja Pukulan Awang Daik.
