**KOTA KINABALU:** Universiti Malaysia Sabah (UMS) is edging closer to accomplishing their six-gold medal target in the ongoing 3rd Malaysia Higher Learning Institutions Sports Carnival (SUKIPT) in Johor Bahru.

Yesterday, Ana Lydia

Tinggi (pictured), helped them to clinch their fifth gold in the track and field events.

She won the women's long jump event after registering a distance of 5.10m.

Ang Xiao Wen from Perlis Teachers' Training Institute claimed the silver with 4.96m while Lily Hartini Ahmad Zamri from UiTM

won the bronze with 4.69m.

UMS Sports Centre Director Mohd Asyraf Fong Abdullah is keeping his fingers crossed that they will achieve their target.

"We have another three days before the Games end on February 5. We are involved in track and field events as well as karate-do," Asyraf said when contacted yesterday.
