TUARAN: Some 50 Universiti Malaysia Sabah (UMS) students attended the Christmas open house organised by Science, Technology and Innovation Minister Datuk Seri Wilfred Madius Tangau at Dewan Sulaman here on Sunday.

The group was led by UMS student council president Mohd Taufik bin Nordin together with other council leaders.

"1Malaysia ... this is the uniquely Sabah where people cut across race and religion to join this Christmas open house," said Taufik.

And in support, UMS vice chancellor Professor Datuk Dr Mohd Harun Abdullah said: "This is one of UMS' ways to show support of racial harmony".

"All this reflects Malaysia's rich diversity in terms of race,

culture and religion as well as to unite the people to live together in a sense of belonging," said UMS deputy vice chancellor (student affairs and alumni) Associate Professor Dr Ismail Ali.

They thanked and lauded Wilfred for organising the open house and hoped the programme would be continued annually.
