SANDAKAN: A group of 26 students and 17 lecturers from SMK Muhibbah Pre-University Centre made an educational visit to SMK Bandaraya II Pre-University Centre and Universiti Malaysia Sabah (UMS) from March 23 to 26.

According to SMK Muhibbah Pre-University senior assistant, Henry Kwan Moon

Lun, the programme is aimed at exchanging ideas and knowledge among educators, while at the same time gives exposure on real university studying environment to the students.

“This visit is a form of education for the students to experience university studying environment. We believe this

will provide them with the spirit to work harder in their studies in order to further their studies after pre-university level,” he said.

Meanwhile, Kwan thanked the Parents and Teachers Association, the school principal and sponsors of the food and beverages for supporting the programme.
