KOTA KINABALU: The UMS Centre for External Education will be organising several open briefings to explain Bachelors Degree and Postgraduate programmes for the September 2016/2017 session, which is currently open for enrolment.

Its Director Professor Dr Arsiah Bahron on Friday said the briefing will be carried out in a series and is open to anyone interested in the centre's offering.

The briefing here will be held on April 16 at Dewan Kuliah Pusat 10 and 11, UMS.

"Apart from Kota Kinabalu, the briefing will also be held in Tawau on April 30, the Labuan campus on May 7 and Sandakan campus on May 14," he said.

Dr Asiah said programme synopsis, entry requirements and registration

process and financial aid will be part of the briefing contents.

"These programmes are open to working adults, STPM school leavers and diploma leavers who want to further their studies during the weekend.

"The centre also offers life-long education programmes to university leavers where courses are done at night and during weekends," she said.
