

UMS 'International Night'

UNIVERSITI Malaysia Sabah (UMS) hosted an International Night 2018 themed "Celebrating Diversity" for its 301 international students at Nexus Karambunai Resort here recently.

Most of them or 131 are mobility students, while the rest, 119, are of the intensive English programme while 51, postgraduate students.

UMS Deputy Vice Chancellor (Academic and International), Prof Dr Rasid Mail, said the event can be a platform for international and local students to showcase their culture and present their respective cultural dances, thus helping to enhance their knowledge on the various ethnicities as well as strengthen ties between local students and those from other countries.

He advised the international students to always study hard because after they have completed their study they will also play a role as ambassadors for UMS in their respective country.

Indonesian Consul-General to Sabah, Krishna Djelani, and Brunei Darussalam Vice-Consul, Mohd Asulham Haidi Haji Md Ashrane, were among those who were present.
