KUALA LUMPUR: The 1Malaysia Training Scheme (SL1M) programme in Sabah to be held this year will provide more than 10,000 jobs to graduates, especially Sabah youths.

Head of the SL1M secretariat Norashikin Ismail said the programme will be conducted at Universiti Malaysia Sabah (UMS) for two days beginning March 17 and will include big companies like Maybank, CIMB, Petronas and the Pan-Borneo Highway.

“These companies, especially Petronas and Pan-Borneo Highway, will offer jobs in Sabah to Sabah youths while other companies will offer jobs in the federal city,” she told Bernama here yesterday.
