# UMS trio in Huawei Seeds for the Future programme

DE 8.11.2017

KOTA KINABALU: Three students from Universiti Malaysia Sabah (UMS) took part in the Huawei Seeds For The Future Programme in Shenzhen, China, recently.

The students are Viliana Jainih, Lai Yik Chen and Razmin Mohd Kamshah who were among the 15 selected students from institutes of higher learning in the country.

The ceremony was officiated by Deputy Education Minister Datuk Mary

Yap Kain Ching who was also accompanied by Global Public Affairs of Huawei Technologies Vice President, David Harmon, who presented the programme's certificate of completion to the students.

Also present were UMS Vice-Chancellor Prof Datuk Dr D Kamarudin D Mudin, and Huawei Technologies (M) Sdn Bhd representatives Vicky Zhang Yuan and Simon Ng.
