**KOTA KINABALU:** The seventh edition of the Science Foundation graduation ceremony saw 249 students receiving their respective certificates on Wednesday.

The event, which was held at Dewan Recital UMS, also featured the presentation of four special awards, namely the Vice Chancellor Award, the Director's Award, the Pelajar Harapan Award and the Pelajar Berdedikasi dan Berkepimpinan Award.

The awards were presented to

Razlan Muhd Yunus, Don Harris Sundang, Dania Haziqah Rahman and Owena Juada respectively.

In his graduation speech, Razlan said he owed his success to his parents, friends and fellow students. He also revealed that the secret to his success was to pay extra attention in class.

Also present in the event yesterday were Science and Technology Preparation Centre's Dr Sazmal Effendi Arshad and Deputy Vice Chancellor (Academic and International) Dr Rasid Mail.
