Meet of all student leaders planned

KOTA KINABALU: Universiti Malaysia Sabah's (UMS) Student Representative Council (MPP) plan to organise the De Borneo Convention in April next year, said its newly-elected president Jusman Nali.

"The convention will gather all student leaders in Sabah and Sarawak and we hope UMS' management will support this programme," he said at the presentation of appointment letters for the 2017/2018 MPP members, at UMS, here, Monday.

The letters were presented by UMS Vice-Chancellor Prof Datuk D Kamarudin D Mudin. D Kamarudin said the MPP is an important entity in UMS as it channelled the voices of the university's undergradu-

ates to the management of UMS. "The council are also responsible to draft various strategies and activities for undergraduates with an aim to build their self-identity," he said.

He also advised the new members of MPP to adopt DSIJ (Dynamic, Sustainable, Integrity, and Justice) in carrying out their duties.

Some 32 undergraduates received their appointment letters during the ceremony - 24 of them were from the main campus here while three were from the Sandakan Sustainable Agriculture Faculty and five from the Labuan International Finance Faculty.
