LABUAN: The KAL team that represented Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) have won the gold award at the Quality Environment (5S) Convention for Sabah and Sarawak region.

The convention was held at The Pacific Sutera, Kota Kinabalu recently where the KAL team comprised UMS-KAL's staff.

Present at the convention, to present the trophy and certificate of appreciation to the KAL Team, was assistant minister of industrial development, Datuk Bolkiah Ismail, representing the minister, Datuk Raymond Tan.

The convention, organised by Malaysia Productivity Corporation (MPC) Sabah region, would provide MPC

the opportunity to select representatives from both Sabah and Sarawak for the national level convention to be held in Pahang on October 1-3, this year.

Director of UMS-KAL, Assoc. Prof. Dr. Ismail Ali, and campus deputy registrar, Zamri Mohamad Tuah, congratulated the team on its success.

Dr. Ismail said, the success is a source of pride for the whole of UMS-KAL citizens and have inspired and motivated them to continuously practise the 5S (Sort, Set In Order, Shine, Standardize and Sustain) standard in the campus. He hoped the success would extend to other areas participated by UMS-KAL even up to the national level.

Dr. Ismail urged the campus 5S committee, spearheaded by

Baharin Entoh, to work harder to ensure a bigger success at the national level convention in October.

"Bigger challenges await the KAL Team if they are selected to take part in the national convention. I believe that with hard work they will get the result that we hoped for," he said.

Meanwhile, Labuan member of parliament, Rozman Isli, took the opportunity to congratulate the KAL team for managing to contribute something for Labuan and pray for their success at the national level convention to be held later in the year.

A total of 11 teams from Sabah, Sarawak and Labuan will take part in the National Quality Environment (5S) Convention this October.
