

Community service by UMS at Ranau orphanage

DE 17.7.2013 9

KOTA KINABALU: The Universiti Malaysia Sabah management officers and non-academic professional association (PPUMS) carried out a community service at Putera Harapan orphanage in Ranau recently.

Led by its welfare bureau chief Azmi Jumat, the 13 association members helped the home management in preparing its takraw court for the occupants' recreational purpose.

They also helped to cook for the 20 occupants, aged between seven and 11, apart from giving them healthcare guidance and motivational talks.

PPUMS president No'man Haji Ahmad also presented a contribution in the form of daily essential goods like food, medication, clothes, sportswear, school shoes and utensils, among others, which was received by the home's representative Wani.
