LABUAN: The Universiti Sabah Malaysia-Labuan International Campus (UMS-KAL) continues to hold its annual Town and Gown march as a gesture signifying the symbiotic relationship between the institution and Labuan Corporation as the local authority.

UMS Vice Chancellor Prof. Datuk Dr Harun Abdullah led the senate, lectur-

ers and graduating students, resplendent in their gowns and mortarboards, in the march by walking from Menara Perbadanan Labuan to Labuan Square.

The 40-minute journey of 1.5km was symbolic of the graduates' three-four years of study at UMS-KAL, culminating in their degrees.

The VC called on the graduates, who would be receiving their scrolls at the

university's main campus in Kota Kinabalu, to promote Labuan as a centre of excellence in unity, understanding and harmony.

Meanwhile, Labuan Corporation CEO Datuk Nadzri Osman urged UMS-KAL, the sole institution of higher learning on the island, to help build Labuan as an academic hub in the region.
