UMS-KAL students promote Indian culture

BP 2-5-2014 A1

THE Indian Cultural Night (ICN) 2014 organised by Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) Indian students was a platform to promote the Indian culture to Labuan society.

Second Deputy Education Minister P Kamalanathan A/L P Panchanathan said that the ICN was not only meant to close the relationship among the Indian students, but also it was an opportunity for the society in Labuan to know the Indian culture, which is unique.

“The students should

feel proud with themselves after they managed to organise the ICN as it is perceived as a great effort to maintain the Indian culture that we inherit from our forefathers.

“This cultural programme is also meant to share your culture with the other students coming to study at the campus,” he said before officiating at the 10th ICN on April 19 at the convention hall, Financial Park.

During the programme, the students performed their traditional dances and singing before the audiences.

Around 1,000 people came, including the local leaders, Indian community and campus students.

Present were Labuan member of parliament Datuk Rozman Isli, the deputy vice-chancellor (student affairs), Associate Professor Datuk Dr Kassim Md Mansur, Senator Datuk Yunus Kurus, Sabah MIC chairman Datuk V Jothi, the deputy director of UMS-KAL, Dr Geoffrey Harvey Tanakinjal, Labuan MIC chairman Ramasamy Rengasamy and the programme director of ICN, Saravanakumar Kannan.

Indian dance to entertain the audiences.
