UMS students attend camp in Semporna

FORTY-FIVE students of Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) attended the 'Anganad Camp at Mabul' activity in Semporna from April 4 to 10.

The students comprised members of committees of the Student Consumer Movement (SCM) at the campus which had

been set up at all public universities in this country under the Domestic Trade, Cooperatives and Consumerism Ministry (KPDNKK).

During the programme that was jointly organised with KPDNKK themed 'Study While Relaxing', the students were exposed to their rights as consumers, whilst being trained in

aspects of leadership, discipline, cooperation and communication.

Meanwhile, deputy director of UMS-KAL, Dr Geoffrey Harvey Tanakinjal, reminded the students that they are the campus' representatives to promote UMS-KAL as a choice for a learning centre to the society in Semporna.
