LABUAN: Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) staff recently held a friendly badminton match with Labuan Matriculation College (KML) staff at the KML Mutiara Hall.

UMS-KAL director Associate Professor Dr Ismail Ali said that the friendly game was intended

as preparation for his staff participating in the inter-public university games to be held later in the year.

“We are very happy to be able to hold this friendly match as we can foster closer ties between UMS-KAL and KML. We also welcome efforts to enhance closer ties with government departments

and agencies, private sector and non-governmental organisations (NGOs) here for mutual benefits,” he said.

The teams lined up by UMS-KAL and KML for the friendly match comprised lecturers, staff and students of both institutions. Also present was KML director Sawang Amit.
