KOTA KINABALU: Some 677 postgraduate students started registering for the first semester of the 2014/2015 session at Universiti Malaysia Sabah (UMS).

According to its Deputy Registrar at the Postgraduate centre, Aidah Nordin, there are 10 international students consisting those from Brunei, China, Indonesia, Oman, Pakistan, the Philippines and Saudi Arabia.

"In conjunction with the new students registration, PPPS will also be holding a talk and methodological course for new students on September 8 to September 11 – a compulsory course needed for one to be awarded the doctorate and masters."

Aida also explained that through health, the registrar department and communication and information technology also introduced an e-sticker system.

"It ensures students mobility within the campus during registration. In the past, they had to wait a week before they were allowed to move from one place to another with their vehicles."

About 245 car stickers were also issued for the event

Aida added that PPPS has fulfilled its role to assist students and also, at the same time, uplift the culture of a lifelong learning process regardless of one's age, or position towards making UMS a world class university.

With this, on behalf of PPPS, she thanked everyone for their support.
