77 UMS post-graduate, doctorate students receive SBP aid

DE 18.5.19 15

KOTA KINABALU: A total of 77 Master's and Doctorate students of University Malaysia Sabah (UMS) received the "Skim Bantuan Pascasiswah" (SBP) to ease their financial burden recently.

It was presented by Deputy Dean (Student Welfare) of the School of Postgraduate Studies (PPPS) Dr Azaze @ Azizi Abdul Adis.

Of the 77, four were international students who received the International Student Fees Scheme (SYPA).

Dean of PPPS, Prof Dr Arsiah Bahron reminded the recipients to use the aid to complete their study on time (GoT).

On another note, Dr Azaze reminded all SBP recipients to prepare a presentation on their research and studies development in SBP Colloquium programme in July.

For the record, 127 SBP recipients graduated between 2015 and 2017 of which 15 were GoT.
