

Continue revamping depts, faculties, says UMS vice-chancellor

By JASON JACK EBIT

KOTA KINABALU: Universiti Malaysia Sabah (UMS) vice-chancellor Datuk Dr. D Kamarudin has urged his staffers to continue revamping their departments and faculties to ensure ongoing progress on the university's development.

Dr. D Kamarudin said this is important so that UMS can advance in line with the university's mission.

"Let us work together as a team and always incorporate a good working culture in which is also in line with our national education agenda.

"I always welcome any suggestions or opinions that can contribute to the progress of this university," he said.

He said this in a programme called Sembang Santai Teh Tarik with 40 UMS's staff comprising Deans, Directors and Head of Department of JFPIB UMS organised by UMS Chancellery Office at the Council Gallery, Chancellery Building.

He also reminded every JF-PIB to be ready with their plans for celebrating the 2019 UMS Silver Jubilee.

"Let us come together to celebrate the university 25th

anniversary with interesting and beneficial info," he explained.

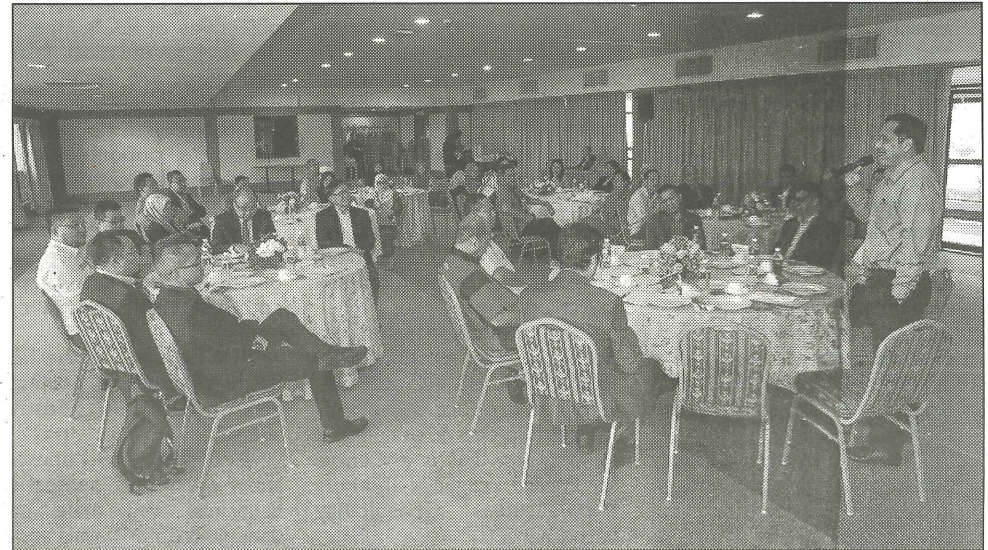

During the programme, he also handed out the Jalur Gemilang and Sabah flag to all JFPIB representatives.

The presentation of the flag was initiated by UMS's Strategic Management and Corporate Communication Center (PPSKK), as a symbol of the state-level Merdeka celebration.

Also present were UMS vice chancellor assistant cum PPSKK director, Prof. Dr. Marcus Jopony and Chancellery Office chief, Stella @ Nurul Martini Gontol.
