KOTA KINABALU: The 16th Basic Entrepreneurship Culture Expo and UMS Science and Technology open day will be held on May 3 and 4.

According to a statement, the expo with the theme "Creative Innovation" aims to improve management skills in leading entrepreneurship and foster cooperation among students, in addition to giving them the opportunity to experience being entrepreneurs.

More than 100 groups will sell creative innovations at the expo such as food, drinks, games, clothing and services.

All are welcome.
