Adjustment of strategies in UMS

DE 6-7-2017 3

KOTA KINABALU: Universiti Malaysia Sabah (UMS) will see some minor adjustments of strategies in meeting the hopes and aspirations of the Higher Education Ministry under the leadership of its new Vice Chancellor Prof Dr D. Kamarudin Mudin.

“There’ll certainly be some adjustments because we want to move faster to meet the goals,” he said after paying a courtesy call on the Head of State Tun Juhar Mahiruddin at the Istana Negeri, Wednes-

day.

The Kota Belud native however said that the mission and vision of the university will stay the same.

“What’s important is that in whatever we do, our concept must be rooted in all graduates and university academic, administrative and supporting staff,” he added.

Kamarudin is the university’s fifth Vice Chancellor after replacing Prof Datuk Dr Mohd Harun Abdullah.
