SANDAKAN: State LDP Youth chief, Tsang Hieng Yee strongly supports calls by Chief Minister Datuk Seri Panglima Musa Haji Aman that UMS Vice Chancellor should be filled by Sabahan.

“Chief Minister only demanded for what Sabahan deserves and what is rightfully belong to Sabah. We certainly have capable and competent candidates to fill the post of retiring

vice-chancellor, Prof. Dr Mohd Harun Abdullah.

“Today, Sabah is no longer like what it used to be in 30 or 50 years ago, where there were shortage of educated and capable leaders”, Tsang added.

“We have more than enough competent candidates to take up even a few more Vice-Chancellor posts if we have more Universities in Sabah. The problem here in Sabah is not that we do not have qualified candidate but

we do not have enough full-fledge university,” he said.

“Rightfully, all senior posts in the Federal civil service should be filled up by Sabahans regardless of whether it is education ministry, health ministry, home affair, defense ministry or any other governmental departments. This is stipulated in the Malaysia Agreement 1963 where all senior posts in the Federal civil service should be made among those of local origin,” Tsang said.
