SANDAKAN: Universiti Malaysia Sabah (UMS) is constantly striving to ensure that students enjoy their every single moment of learning as well as preparing them to meet today's industry needs.

UMS Vice Chancellor, Prof Dr Taufiq Yap Yun Hin said these were among the university's priorities as contained in the Key Result Areas (KRA), UMS Strategic Plan 2018-2022 with the theme "Enhancing Student Holistics Experience."

"We want to generate more qualitative graduates and become a university with high graduate capabilities.

"Thus, it is the hope of UMS that every student can also focus on learning and always strive to provide knowledge and skills," he said at the oath-taking ceremony during intake of new students for the Faculty of Sustainable Agriculture, UMS Sandakan campus.

The text of his speech was read by the Assistant Vice Chancellor, Prof Dr Marcus Jopony.

Dr Taufiq said students must take advantage of every opportunities available for the sake of their future.

He reminded the students to put aside negative practices such as laziness, neglecting assignments and committing truancy, among others as these could harm their future.

"UMS will continue to provide opportunities for you to achieve your dreams, which is leading the way to excellence.

"Be sincere and fulfill your promises sincerely, because this is where the love of knowledge, love of faith and the foundation of a future leader," he said.

Also present at the event was Dean of the FSA, Prof Dr Abdul Hamid Ahmad, and his academic and administrative staff.
