LABUAN: The Universiti Malaysia Sabah (UMS) Labuan International Financial Faculty (FKAL) recently organised a workshop on "How to Publish in Indexed Journal" at Dorsett Grand Hotel here, in conjunction with the 3rd Applied International Business Conference (AIBC) 2018.

The workshop was supervised by Universiti Utara Malaysia's (UUM) Othman Yeop Abdullah Graduate School of Business, Professor Dr Hajah Norazah Mohd Suki, who is a recipient of the Malaysia's Research Star Award 2018 with high Scopus citation index.

She shared tips on journal writing, techniques in choosing journal related to research topic, peer review element and others.

"The workshop is meant for attracting the interests of academicians and post-graduate students specifically in the fields of writing and publication by exposing them to effective journal writing skills to qualify for publication in index journals like ISI, Scopus and so on," she said.
