KOTA KINABALU: The vaccination centre (PPV) in Universiti Malaysia Sabah (UMS) will no longer accept 'walk-in' vaccine applications starting from October 4.

In a statement on Thursday, UMS announced that its PPV will only distribute the second vaccine shots through

booking appointments on the MySejahtera app.

"The public may contact the UMS PPV hotline at [013-815 1373](tel:013-8151373) for more information," the statement read.

The PPV will operate as usual, from Monday to Friday, starting from 8am to 5pm. The said PPV has been operating since June

14, offering walk-in application, with a capacity of 3,000 vaccine shots a day.

A total of 100,000 doses of vaccines have been distributed, in addition to UMS' outreach vaccination programmes in rural areas, the Kota Kinabalu Prison and the Temporary Detention Centre.
