KOTA KINABALU: The Sabah Youth and Sports Ministry has donated 160 sets of 'Hero Packs' to the frontliners working at the vaccination centre (PVV) in Universiti Malaysia Sabah (UMS).

Its assistant minister, Andy Muhammad Suryady Bandy, presented the donation to

UMS vice chancellor Professor Datuk ChM Ts Dr Taufiq Yap Yun Hin during his visit to the PPV on Wednesday. Andy said the donation was a programme initiated by the ministry to help the frontliners in Sabah.

"This donation serves as our sign of gratitude to all the frontliners in UMS who have

worked tirelessly in carrying out the vaccination process," he said.

Andy added that the UMS vaccination centre would help Sabah reach herd immunity.

He also expressed his hope that the federal government would continue to expedite the vaccination distribution for Sabah.
