KOTA KINABALU: The State Science, Technology and Innovation Ministry (Mosti) and Universiti Malaysia Sabah (UMS) plans to strengthen its collaboration in terms of expertise available that can be shared with the industries and also community in Sabah.

This is among the matters discussed between Minister Datuk Yakub Khan and UMS Vice Chancellor Professor Datuk Dr Taufiq Yap Yun Hin during the latter's courtesy call to the Ministry here Wednesday.

Yakub hopes that the university's expertise can be shared in helping the local economies go through the new norm situation.

Yap also informed Yakub that the university will work with the Ministry in giving focus on the field of science, technology, engineering and mathematics (STEM), so to boost the interest among school students in this subject.

Both the Ministry and UMS also viewed seriously the situation caused by Covid-19 pandemic in the country.
