

# UMS-CILTM collaboration signed

DE 24.09.19 3

KOTA KINABALU: The Faculty of Business, Economics and Accounting (FPEP) of Universiti Malaysia Sabah (UMS) signed a Letter of Intent (LoI) with the Chartered Institute of Logistics and Transport Malaysia (CILTM), here, Monday.

The signing ceremony was carried out by UMS Dean of FPEP, Prof Madya Dr Raman Noordin, and CILTM Chairperson Siti Noraishah Azizan.

The event was attended by about 100 FPEP staff at the UMS Central Lecture Hall.

Dr Raman said the LoI included cooperation to identify potential developments in the logistics and transportation sector in Sabah.

According to him, UMS and CILTM will also cooperate in the dissemination of knowledge and education by organising events, activities, seminars and lectures.

“These include developing the provision of logistics professional certification, especially for the implementation of the CILT Professional Qualifying Examination

(PQE).

“This collaboration also enables the development of logistics-related UMS data sources in Sabah as a reference for academic activities,” he said.

Dr Raman hoped it will lead to the signing of a Memorandum of Understanding (MoU) between the two parties in the future.

Also was the Head of UMS International Business Program, Dr Sidah Idris, and FPEP Senior Lecturer, Dr Ariff Kamisan Pusiran.
